

Legislation Annual Report Survey - 2017

Introduction

Thank you for participating in the new annual report survey. As parish legislation standing committee chairpersons, your input adds value to our diocesan, provincial and national perspectives.

The survey is very comprehensive and broken into each sub-heading. Please do not feel daunted by the length of it. There are many options, but we understand that councils will focus on just a few of the priorities listed. It is perfectly okay to leave questions unanswered if your council has not pursued a certain topic. Thank you for completing this annual survey. Your input will give us a clearer picture of what councils are doing and what members are interested in across Canada.

Your voice is important to the future of the League.
